## 'In case of Emergency'

2<sup>nd</sup> November, 10am – 4pm

Church House, Leeds.

How would you respond if a major incident happened in your parish? How prepared would you be if your parish hit the headlines because of a terrorist attack, or a high profile murder, or tragic accident? Or you found yourself taking the funeral of a victim of a terrorist attack?

In this session we will be asking what we can learn from recent incidents like the murder of Jo Cox in Birstall. What practical steps can we take to be prepared for such an unexpected incident? What about dealing with the media in such circumstances?

Bishop Jonathan will be reflecting on his experiences with the media following Jo Cox's death and there will be contributions from clergy with personal experience of handling crises. The day will be facilitated by Chris Tate, Director of Communications.

**Places will be limited to 50 people.** Lunch will be provided (**please inform of any dietary requirements at time of booking**). To book a place contact Sue Rusholme on [susan.rusholme@leeds.anglican.org](mailto:susan.rusholme@leeds.anglican.org)

## Changing Posts conference

14<sup>th</sup> -16<sup>th</sup> November, The Briery, Ilkley (lunchtime to lunchtime)

This event will be shared with Methodist ministers.

A 48 hour residential course for clergy and licensed lay ministers who have changed post within the last 18 months. This course is intended to give colleagues time to reflect together on leading change, on any challenges they face, and on their experiences in their new role. This is *not* for those in their first incumbency but for those who have moved to their second or third or fourth (etc.) post or parish beyond curacy.

Some comments from previous participants:

'This was the most helpful course I have been on since I was ordained.'

'It was good to look objectively at change and transition in my personal context.'

'Space and time away from parish responsibilities: all the more important when life feels too full.'

'It was a good balance of input, discussion and time to think and relax.'

'We were respected for the experienced priests we are and allowed and encouraged to use that experience.'

Cost will be £175 which can be taken from your CMD account and booking arrangements. For a booking form (or any questions about the course) please contact either Louise or Andrew:
