

APRIL 2018

1/4/18 Easter Sunday

Rejoice with Christians throughout Sudan. They will be worshipping wherever and whenever they can, in substantial stone buildings in some of the towns or in small mud brick churches in villages. They will praise the Lord with music and dance. Pray for them during your own special services today and throughout the week.

8/4/18 Pray for Christians in Port Sudan Diocese, for Bishop Abdu, his wife Khamisa and their children. Pray for congregations in the town of Port Sudan and in villages many miles apart.

15/4/18 Give thanks that the March visit to Sudan was able to go ahead. Pray for the meeting on Tuesday when those who took part in the visit meet to share their experiences with our Diocesan Sudan group. Pray that this will lead to great benefits for our link and for our brothers and sisters in Sudan.

22/4/18 Pray for Archbishop Ezekiel, who spoke to the visitors about his deep concern for the needs of his people and the importance of prayer for us all.

29/4/18 Jebel Aulia is a small town 40 miles south of Khartoum. Pray for worshippers at five small churches (at least) that have sprung up around the town, mainly to provide for those who have returned from South Sudan escaping the conflict there. Think about so much upheaval and wandering during the last few years, and about so much faith undiminished.
