

# PRAYERS FOR SUDAN

## February 2018

4/2/18

Let us echo in our prayers those in Archbishop Ezekiel's Christmas message that  
Conflict will stop immediately throughout Sudan  
Peace with justice will prevail  
Reconciliation will take place among all Sudanese people  
Religious freedom is respected at all levels  
Co-existence is encouraged and that it will be the rule of life.

11/2/18 Pray for EDARRA, the Provincial Relief and Development organisation and its Director Revd Samir Bulus. Pray that this new organisation is soon able to develop its capacity and way of working to benefit churches throughout the Province.

18/2/18 Pray for the Shokai Bible Training Institute in Omdurman and for the Principal Revd Ismail Tutu Kowa. SBTI provides training for ordinands and Readers. The Institute has very limited resources compared with any school or college in the UK. Students are often unable to pay fees, which means the teachers may not be paid.

25/2/18 Pray for our own Diocesan Sudan Link group, that they may discern ways to increase our knowledge of the Sudanese Church from which we can learn so much about faith and trust, and that greater awareness may lead to increased generosity from our parishes to help Sudanese church leaders who minister to the poorest and most needy in their communities.
