

APPENDIX 1

Anglican Chaplain & Chaplaincy Coordinator for the University of Bradford.

The Chaplain will share with the Bishop both in the cure of souls and in responsibility, under God, for “building confident Christians, growing churches and transforming communities”.

The Chaplain will have regard to the calling and responsibilities of the clergy as described in the Canons, the Ordinal, the Code of Professional Conduct for the Clergy and other relevant legislation including safeguarding.

The Chaplain is expected to promote the health of the Church and its growth in numbers, in spiritual commitment and in service to local communities.

Our Diocesan Strategy

The Diocese of Leeds is committed to building confident Christians who are part of growing churches and helping to transform communities.

As followers of Jesus, we are called to share the Good News, serve others and make a positive difference in our communities. To help us do this, we need to be confident in our faith, in our churches and in the future.

Over the next 10 years, we are focusing on four key areas:

- Confidence in our Mission – Helping churches understand their purpose and make the best use of their buildings, time, and resources.
- Confidence in our Future – Ensuring the diocese remains sustainable, effective, and well-prepared for the years ahead.
- Confidence in our Leadership – Supporting and equipping everyone who serves in our churches.
- Confidence in our Witness – Encouraging and empowering people to share the Good News of Jesus, especially with children and young people.
