

Academic Year 2025 / 2026

Liturgical Calendar for Church of England Schools

The Anglican Calendar

The liturgical calendar lists and locates the festivals and seasons of the Anglican Church. Our calendar runs for the academic year. It shows the major festivals and saints' days. The festivals for some notable saints for our region, the north of England, are also included (*marked with **). You can click on each item to find out more about it. Again this year, the calendar comes in two formats, a 'Diary Layout' and a 'Calendar Layout'. The information in both formats is the same, so you can use whichever works best for you.

Diary Layout

Calendar Layout

Seasons of the Anglican Year

The Christian Year is made up of seasons. It starts in early winter with the season of Advent, building towards the celebration of Christmas. After Christmas comes the season of Epiphany. This is followed by a period of 'Ordinary Time', the name for parts of the year which are in no particular season. From Ash Wednesday, we are in the season of Lent, preparing Christians for their most important feast of Easter. The season of Easter actually lasts for seven weeks, up to the celebration of Pentecost. Following this is a long period of Ordinary Time. This can be broken up with a season called Creationtide in early autumn.

For more try: <https://christianity.org.uk/article/seasons-in-the-church>

Liturgical Colours & What They Mean				
Purple	Red	Green	Gold	White
				
Penance & Preparation Used during Advent and Lent	Sacrifice Used during Passion Sunday, Good Friday, Pentecost and for the Apostles and martyrs	Hope, Life & Growth Used throughout Ordinary Time	Joy & Celebration Used for special days of celebration, such as Easter Sunday and Christmas day	Purity Used in the seasons of Easter & Christmas, and for saints who were not martyrs

Liturgical Colours

The liturgical colours for each festival and season are shown. As the table illustrates, the liturgical colours indicate the mood and focus of the season. For example, the purple of Lent shows that it is a time of preparation before Easter, whereas the red of many saint's days highlights their sacrifice.

Using season and colours in your worship

The liturgical colours have been used for centuries to help congregations understand and track the seasons of the church year. They can play the same role within your school's collective worship. For some schools, taking time to note with pupils when the colour changes is an opportunity to talk about the new season and what it means to Christians. Others might think of integrating the seasons and colours into their daily words of liturgy. For example, as part of the Gathering phase of worship, the leader or a pupil could say, ***"Today, we are in the season of Lent. Its colour is purple showing us that it is a quieter season of reflection and preparation."*** or, ***"Today is the feast of St Andrew. The colour is red to remind us of his sacrifice."***

Are there other ways you can adapt the mood and content of worship to reflect the season of the church year? Could it influence your choice of songs and music or the extent to which you use quiet reflection time?

World Faiths other than Christianity

In addition, on the final page, you will find a table with some key festivals of world religions other than Christianity. Again you can find out more about each item by clicking on it.

The Anglican Liturgical Calendar for C of E Schools - Academic Year 2025/2026
