Parish Share Report
Summaries of Parish share receipts by episcopal area, deaneries and historical diocese had been circulated together with an outturn report. Ashley Ellis reported that payments of parish share were 1% down on the receipts at the same point in 2013.

Budget 2015
A draft Budget document had been circulated to the Board prior to the meeting. Ashley Ellis reported that for the Diocesan Synod this document would be supported by the summaries of parish share; summary of final set of accounts for each of the former dioceses.
The Budget document was discussed and the following matters were noted/agreed:

- The Reconciliation of 2015 Budget compared to 2014 table to be headed “Planned deficits”; negative figures to be shown in brackets
- An outline would be given to Synod of the measures being taken by LDBF with regard to the deficit
- It was noted that the reserves of the LDBF were unusually high for a charity

It was agreed that the Budget was approved and that Ashley Ellis, Simon Baldwin and Bishop Tom Butler would meet to look at the detail of the Budget presentation for Diocesan Synod. (Bishop Tom would introduce the Budget; Simon Baldwin would present the detail and Bishop Tom would move the motion.)

Longer Term Financial Strategy
A Confidential paper by John Tuckett on the longer term financial strategy had been tabled at the meeting.

John Tuckett reported that the meeting with the Church Commissioners to discuss the longer term financial strategy of the diocese had been positive. The Church Commissioners had indicated that an application could be made to the Strategic Development Fund (up to a maximum of £1m) for assistance towards the Transformation Budget. It wasn’t possible to confirm that the monies would be granted by the Church Commissioners but they had indicated that was a planning assumption. The Board discussed the options outlined in the confidential paper. It was agreed that identification of savings/other sources of income should be put in hand ready for when the area model was agreed.

It was agreed that the “Way forward” on pg 3 of in the Confidential document be recommended by the Board.

Accounting Policies
In some aspects the three former dioceses had adopted different accounting policies. It was proposed that where the policies were the same this would be continued but that it was proposed that policies would be standardised where there were differences. After discussion it was proposed that:

a) Where accounting policies were the same across the former dioceses these would be adopted;

b) Fixed assets purchases of under £25k would be depreciated in full in year of purchase;

c) For Properties, in accordance with the new SORP, Fair Value and revaluing after 5yrs would be adopted.

All agreed.

Appointment of Company auditors
It was reported that five firms had been invited to tender for the contract. Of the five, four were invited to interview. The strongest firm by far were hayesmacintyre. It was therefore recommended that hayesmacintyre be appointed the company’s auditors.

All agreed.

Property Policy
Ashley Ellis reported that it was proposed that the three former dioceses’ property policies be standardised. A copy of a proposed policy together with a table outlining those areas where there were policy differences had been
circulated to the board. Members were asked to feedback comments to enable a standard Housing Policy to be in place for 2015.
