How the Diocesan Cursillo Secretariat is made up is given at the end of my report and you will see that both the Ripon Episcopal Area and Leeds Episcopal Area are without their full representation. I would like to thank those who have come to the end of their term of office and thank them for their valued support.

We would like to think that each parish would have a parish rep, which would help us in our administration. Has your parish got a parish rep?

Diocesan Office.

The Rev'd Mandy, Canon Tony and myself had a productive meeting with Hayley Matthews, the Diocesan Director of Lay Training to discuss plans to promote Cursillo further within Diocesan circles, including more prominence within the Lay Training part of the Diocesan website.

Harrogate Lay Conference - 9th June.

Cursillo were able to have a stand and it was very successful as we were able to talk to people who had never heard of Cursillo, and it was lovely to see that there were numerous Cursillistas attending the conference on behalf of their Parish.

Several people showed a lot of interest, and hopefully they will be able to come to a weekend soon.

We had produced a new leaflet which we are to have printed for our use, I think I could safely say that I distributed at least 200 during the day.
