

JANUARY 2019

6/1/19 Early last month the Sudanese bishops and their wives met in Khartoum with Archbishop Mouneer (Primate of the Province of Jerusalem and the Middle East). The Archbishop was leading sessions on developing leadership. Pray that this has been a time of inspiration and encouragement and will be of lasting benefit to the Province of Sudan.

13/1/19 Pray for the people of Sudan and particularly Christians who are among the poorest, as inflation leads to price rises for basic commodities.

20/1/19 Pray for Mothers' Union members and other Christian women who visit women in prison and for families suffering extra hardship when a mother or father is in prison and it may be difficult to get news.

27/1/19 A recent visitor to Sudan from the Diocese of Leeds wrote, "The value of a link is to take us outside our boundaries and feel the deep things of life afresh. The problem always is to translate these things back into daily living, so they are truly transforming." Pray that more may experience such value, whether through the direct experience of visits or through learning, caring and praying about the lives of partners.
