

JUNE 2018

3/6/18 There is to be a short presentation on the church in Sudan at Leeds Diocesan Lay Conference on June 9th. Pray for those making the presentation and that it will move many to become more involved with our link and to support our Christian partners with prayer and action.

10/6/18 There is a great need for a Christian accountant to work with the Episcopal Church. Now there is a real possibility of this happening. Please pray that the man in question (Joe) can get the right sponsorship and permits to enable him to stay in Sudan and undertake this work.

17/6/18 Pray for the Diocese of Wad Medani, for Bishop Samaan Farjalla and the income generating projects he has initiated, that they work well and are able to quickly pay off the loans that were needed to get them started.

24/6/18 Pray for lay leaders in the churches in Sudan, for teachers, evangelists and Mothers' Union members.
