We offer a wide range of support and services. Below are just a few suggestions for making the best use of your adviser.

External Reviews

SIAMS; OFSTED; pupil premium; governance; pupil progress; religious education.

Coaching and Support

Middle & subject leaders; joint teaching & learning reviews / verification of your self-evaluation.

Planning and Preparation

Support with self-evaluation and improvement planning (SIAMS and OFSTED).

School Improvement Partner

Some schools choose to use us as their improvement partner, providing guidance, advice and supportive challenge throughout the year.

Pastoral Support

We know working in education is challenging as well as rewarding. Your adviser can provide pastoral support for you and your team.

Religious Education

Development of pedagogy and assessment in RE; support and coaching for RE subject leaders.

Collective Worship

Support to monitor & evaluate the impact of collective worship and enhance provision.

Governance

Support with all aspects of governance including vision & distinctiveness, recruitment support, systematic monitoring and school data.

“We have worked with our diocesan adviser preparing for our SIAMS inspection. The support around ensuring our distinctiveness permeates throughout our curriculum and in getting to grips with the new style SEF has been excellent.”

*The training session must follow a planned visit

**Not including 'Understanding Christianity' training or the annual conference
