

RETIREMENT PREPARATION CONFERENCE

**10 – 12 September 2019, Scargill House
Kettlewell, Skipton, N Yorks BD23 5HU**

The conference will take place in the beautiful surroundings of Scargill House, and will start mid-morning on the Tuesday and finish with lunch on the Thursday. Full details will be sent nearer the time.

The aim of the conference is to provide information about the transition to retirement covering the very practical matters of health, housing, pension, tax and so on. There is also the opportunity to look at ways of developing a positive approach to retirement from full-time ministry and what vocation can mean in this context. Change of role for both clergy and partner, leisure, education, hobbies, ministry and spirituality will also be subjects discussed at the conference. In addition, there will be free confidential professional advice on savings and investments available for those who would like to opt for this.

The cost will be £205.00 per person and £410.00 for a couple. Unless your diocese is paying for you, please enclose a cheque with your booking.
