

Together in Faith

Diocese of Leeds Lay Conference

Young People

Do you have questions about
God and Science?

Do you wonder what it means to be a
teenager and a Christian in 2018?

Are you interested in how you live out your faith
at school/college, at home and in the wider
world?

Would you like to relate to others of different
faiths with confidence?

Longing to see new things
happening in your area?

*If you are aged 14-17 and answer 'YES' or 'MAYBE' to any of these questions,
please consider being a youth participant at the Lay Conference
on Saturday 9th June.*

See www.leeds.anglican.org/lay-conference for more details
or speak to your local vicar!
