

Authorised Listening Service

Supporting Survivors of Abuse

“It is vital our churches are safe places for people to tell their stories of abuse, and where people listen and respond well...”

This is an extract from “Responding Well” a House of Bishops Publication.

The Diocese of Leeds has appointed Authorised Listeners, all of whom are available to meet with anyone who needs an attentive and attuned listening ear to help them to talk about current or past abuse of any nature.

Up to three sessions can be provided free of charge.
