

## Holy Week and Easter 2021 Ideas and Resources

As we look at marking Holy Week and Easter for a second time during the COVID19 pandemic, we have put together some ideas and resources which we hope will help you to share the Holy Week journey and Easter celebration with children, young people and families. Some of the resources are produced within the diocese and others have been very kindly shared by colleagues from other dioceses and organisations.

Lent resources for children, young people and families, linked to the diocesan Rhythm of Life adventure can be found [here](#).
